

# Event Registration

## Registration For All Event Types

A solid registration process is critical whether your event is simple or complex, free or paid, in person or online — you need a reliable tool to register all of your attendees and sponsors. That’s where Event Cloud’s all-in-one system comes in.

### Event Cloud’s Event Registration Helps You:

- Collect the data you care about most. Tailor your registration form with unlimited custom fields to get the exact information you need.
- Maintain your event’s branded experience with customizable form design and confirmation emails.
- Integrate your registration data with on-site systems — such as badge printing, session scanning, and lead retrieval.
- Gather robust reporting to analyze the ROI of your event.
