

Easily Schedule Your Conference Staff

Manage Your Event Staff Like a Pro

Whether your staff are manning conversation stations, expert locations or the registration desk, ensure you have the right people at the right place at the right time with Notified.

With Event Cloud's staffing tool, scheduling conference staff has never been easier. Get rid of scheduling headaches and save yourself time by automating scheduling updates. Now, staffers can see their own schedules and you can focus on more strategic initiatives.

Event Cloud Staffing Manager

- Upload floor map and determine staffing locations
- Use Notified to invite people or use Event Cloud's call for staff to gather a pool of staff candidates
- Assign staff based on subject matter expertise, job title or other criteria
- Quickly and easily schedule people for one or more locations
- Visually find gaps in your event's schedule to better allocate staff
- Staffers can download their schedule to their own Microsoft Outlook, GCal, or Apple calendar
- Automatic conflict notifications keeps the Staffing Lead from double-booking any resources, including Speakers
